CONFIDENTIAL

MEMORANDUM

SUBJECT: McCormick & Baxter (Site P9) Cost Recovery Package

FROM: Sharon Eng *Sharon Eng*
Superfund Cost Recovery Coordinator

TO: Ted Yackulic
ORC Site Attorney

I am releasing to you the cost recovery package for **McCormick & Baxter (site P9)** which covers the period of 7/1/96 through 7/31/97. This package includes cost documents to prove EPA expenditures, as well as work performed documents to describe the Superfund response actions taken at the site.

We had previously updated the earlier portion of the site P9 cost recovery package which covered the period of Day One through 6/30/96. As a result, the total site costs of each package are as follows:

Day One through 6/30/96:	\$1,316,758.22 (certified 10/20/97)
7/1/96 through 7/31/97:	\$1,460,048.52 (certified 11/3/97)
~~~~~	
Total:	\$2,776,806.74

Please note that the costs are current as of the date listed on each certified SCORES cost summary. It is not uncommon for adjustments to occur following the certification of the summary.

It is my understanding, in accordance with the revised regulations in 40 CFR 2.310 as they pertain to the disclosure of Confidential Business Information (CBI), that ORC will obtain the necessary contractual agreement from the PRP(s) to protect the information. **New procedures are in place. Contractors also need to be notified of CBI release prior to disclosure to PRPs.** Please contact Marcia Colvin for details.

If you have any questions or comments, call me at X-2120, or Moe Lance at X-2871. Thanks.
